Re: M/003/060

Dear Mr. Haddock,

Attached is the final revision of the mine plan of operations for the green Peak Quarry. It contains changes and clarifications you and the BLM requested. Also attached is a copy of your most recent comments on the plan, with annotations as to where in the document the item has been addressed.

Your prompt approval of the plan is appreciated. If you have any questions concerning the enclosed, please contact Cindy Emmons at 273-1974.

Sincerely,

Mike Pauletto
